The new Rustique series - More color. More character. More Lakewood. These guitars combine the characteristic Lakewood sound with a fresh, expressive look. More color, more lifestyle and a rustic, earthy design that tells stories of dreams and adventures. Unmistakably Lakewood - and yet excitingly different. Not well-behaved and tame - but rocking and cheeky! As the "black sheep" of our family, she stands out and yet at heart she is just as much a part of us as everyone else. Whether white or black - it's the inner values that count!
