Rosewood with a superb high gloss finish and gold-plated tuners are the hallmarks of our Deluxe series. The immaculate finish provides an optical impact in keeping with the tonal quality. This is a perfectly coordinated guitar – the ideal partner for a long term relationship.
The D-32 P Deluxe has everything you would expect from a powerful dreadnought with a rosewood body and spruce top. Strong bass, punchy mids and singing highs make this instrument a true all-rounder: the perfect singer-songwriter guitar for supporting your voice with a rich, powerful tonal foundation. Whether you play hard-driving strumming or melodic flatpicking, this guitar moves forward—and takes you with it. Understated and refined, with an eye for the essential details, yet still distinctly luxurious in appearance. This guitar has everything you need—and just a little bit more.
