Our Natural Series is all about natural beauty! Wood and form speak for themselves and can be appreciated by touch. Simplicity, utility and highest quality are combined in an unbeatable, conscious understatement.
Orchestral sound. A buttery-soft string feel. Angelic guitar tones. By changing the scale length to 630 mm, we created a 12-string guitar several years ago that is almost as comfortable to play as a 6-string. Our M-31-12 P Natural adds a truly distinctive tonal colour to your musical palette. It may not become your main guitar—but whenever you play it, its sound goes straight to the heart.
